TERMS AND CONDITIONS

1. Sealed bids will be opened in the Commissioner's Conference Room, Canadian
County Courthouse, 201 North Choctaw Avenue, El Reno, Oklahoma, at the time and date shown on the invitation to bid form.
2. Late bids will not be considered. Bids must be received in sealed envelopes (one to an envelope) with bid number and closing date written on the outside of the envelope.
3. Unit prices will be guaranteed correct by the bidder.
4. Firm prices will be F.O.B. destination.
5. Purchases by Canadian County, Oklahoma, are not subject to state or federal taxes.
6. This bid is submitted as a legal offer and any bid when accepted by the County constitutes a firm contract.
7. Oklahoma laws require each bidder submitting a bid to a county for goods or services to furnish a notarized sworn statement of non-collusion. A form is supplied below.
8. Bids will be firm until 02/14/2013
(DATE)

AFFIDAVIT: I, the undersigned, of lawful age, being first duly sworn on oath say that he (she) is the agent authorized by the bidder to submit the above bid. Affiant further states that the bidder has not been a party to any collusion among bidders in restraint of freedom of competition by agreement to bid at a fixed price or to refrain from bidding; or with any state official or employee as to quantity; quality or price in the prospective contract or any other terms of said prospective contract; or in any discussions between bidders and any state official concerning exchange of money or other thing of value for special consideration in the letting of a contract; that the bidder/contractor has not paid, given or donated or agreed to pay, give or donate to any officer or employee of the State of Oklahoma (or other entity) any money or other thing of value, either directly or indirectly in the procuring of the award of a contract pursuant to this bid.

Sherry Murray, Purchasing Agent, 405.295.6125 or 405.422.2441
smurray@okcana.cogov.net

It is the intent of the following bid request to acquire a new all wheel drive motor grader. Units offered under this advertisement shall be new, 2012 or newer standard production models of the latest design in current production meeting Tier IV Interim Emission standards for use in the United States. Bidders must submit with their bid the latest printed specifications and advertising literature on the units they propose to furnish. **The bidder shall list on a separate sheet of paper any variations from or exceptions to the conditions and specifications of this bid.** Failure to comply may result in bid disqualification. Prices quoted shall include all transportation, make-ready, and delivery to Canadian County. Bid award will be based on the best value offered. The quality of the articles to be supplied, their conformity with the specifications, dealer product support capability, past dealer performance, purchase price, unit resale value, guaranteed repurchase and delivery date shall all be considered in the determination of lowest and most responsible bid.

COMPLY
YES OR NO

BASIC SPECIFICATIONS

Base Machine Weight shall not be less than 40,000 lbs. Weight shall include standard machine configuration, lubricants, coolants, full fuel tank and operator of 200 lbs.

ENGINE

Engine shall be designed and built by the manufacturer.

Engine fan shall automatically adjust fan speed via a variable hydraulic fan pump to meet engine cooling requirements.

Engine oil filter shall be a 500 hour interval vertical spin-on type filter

Engine primary and final fuel filters shall have 500 hour service replacement interval.

Engine shall automatically lower engine torque and alert the operator if critical conditions are detected.

Engine shall be certified to EPA Tier 4 Interim emissions standards for use in the United States.

Ether starting aid shall be provided and must automatically meter ether injection to prevent engine damage.

Rated engine power shall not be achieved at an engine speed greater than 2100 rpm.

Horsepower: 225HP - 275HP

Machine shall have a swing-out cooling fan housing allowing easy access to cores.

An external emergency kill switch shall be provided for ground level engine shut down.

TRANSMISSION

Transmission shall be designed and built by the machine manufacturer.

A controlled throttle shifting system shall be provided to smooth directional gear changes without use of an inching pedal.

Differential Lock/Unlock shall be a multi-disc design and electro-hydraulically controlled.

Differential Lock/Unlock shall not have speed, shuttle shifting or tandem spinning restrictions for engaging/disengaging.

Electronic Throttle Control (cruise control) shall be provided.

Machine shall be equipped with electronic over-speed protection to prevent damage to the engine and transmission.

Transmission shall be a direct drive, power shift, countershaft type.

Transmission shall be equipped with built-in self-diagnostic capability.

Transmission shall have no less than 8 forward speeds and 6 reverse speeds.

A transmission guard shall be provided.

STEERING

Steering wheel with antler rack controls

BRAKES

Entire braking system shall meet all requirements of ISO 3450: 1996.

HYDRAULIC SYSTEM

Base hydraulics - 4 function controls

Base hydraulics with 1 auxiliary function control
