Bid 2021-#14 Audio Visual Design Walk Through

Bidders wishing to attend a non-mandatory site visit must visit the site accompanied by Nathan Smith and will not be allowed onsite without prior coordination with Nathan. Nathan can be reached via email at canadiancountyfairgrounds@gmail.com. Those visiting the site are required to enter from the east side of jobsite off of Alfadale Road and MUST check in at the Lingo Construction job trailer. The jobsite address is 3001 Jensen Road East, El Reno, OK 73036. Attendees MUST have the following PPE (hard hat, safety vest, and safety glasses), closed toes boots (shoes are not allowed), and long pants. Attendees MUST check-in before proceeding onsite. Attendees must stay in a group while onsite and must be accompanied by Lingo Construction. Attendees should be able to walk over construction material as the site will not be graded to final grading at the time of the visit. Vertical lift access will not be provided. Drawings may be available for reference, but the attendees shall bring material for notes, drawings, dimensions, etc..
